Sir:

In accordance with 37 C.F.R. §§1.56 and 1.97-1.98, the Applicant herewith transmits the attached Form PTO/SB/08a, including a copy of the foreign patent document which was cited in an Official Action received from the Japanese Intellectual Property Office (issue date of February 20, 2007) with respect to related Japanese Patent Application No. 2003-410550, and which may be deemed material to the examination of the above-identified application. An English abstract is provided as a brief statement of relevance of the foreign patent document to the above-identified application as required under 37 C.F.R. §1.98. A copy of the Official Action provided by the Japanese Intellectual Property Office is also enclosed for the Examiner's convenience.

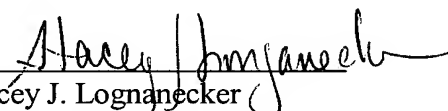

Since the present Supplemental Information Disclosure Statement is being filed prior to issuance of a first office action on the merits, no certification under 37 C.F.R. §1.97(e) or

fee under 37 C.F.R. §1.17(p) is believed to be required. However, the Applicant does certify under 37 C.F.R. §1.97(e)(1) that each item of information contained in the Supplemental Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application, the attached Official Action provided by the Japanese Intellectual Property Office, not more than three months prior to the filing of this Supplemental Information Disclosure Statement. However, should any fees be required, the Director is hereby authorized to charge the fees to Deposit Account No. 18-2220.

The Examiner is requested to consider the attached document in connection with the above-identified application, and to return a copy of the Form PTO/SB/08a to the Applicant with the Examiner's initials in the spaces provided.

Submission of this Information Disclosure Statement does not constitute an admission by the Applicant as to the materiality of the attached document to the application, nor does the Applicant waive any right to challenge the validity of the document as prior art should such action be deemed appropriate.

Respectfully submitted,
